WEATHER PROBABILITIES.—For this section, fair, warmer tonight, Tuesday fair; light to fresh southerly winds.

MEETINGS OF THE BAR.—Meetings of members of the bar of this city were held this morning for the purpose of taking suitable action in respect to the memory of the late Anthony W. Armstrong and George A. Mushbach. Colonel Francis L. Smith presided and Messrs. C. C. Carlin and G. L. Booth acted as secretaries. The following resolutions were presented and adopted by unanimous vote:

Resolved, That we have received with deep sorrow the intelligence of the death of Anthony W. Armstrong, for many years a leading practitioner in the bar of this city, and that we regard this sad event as a great loss to our profession and to our whole community.

Resolved, That fidelity to all and a strict regard for the rights of others marked in a conspicuous degree his walk among men, so that his life is an example to contempt to with pleasure and profit.

Resolved, That his personal excellence will abide in our hearts and will make the recollection of our intercourse with him, both social and professional, a memory upon which we shall ever delight to linger.

Resolved, That is the death of Mr. Armstrong, the community has lost an upright and public spirited citizen; the bar a conscientious, industrious and honorable member, whose sound judgment and legal attainments adorned the practice of his chosen calling; his family a tender and devoted relative, and his friends, one who was always loyal and true. He was a man of uncommon worth, has left a good name which is far better than riches, and we deplore the death of our friend and brother, and mourn with others who loved him.

Resolved, That these resolutions be communicated to his bereaved family, and be presented to the United States Circuit Court for the Eastern District of Virginia, and to the State courts in this city and the counties of Alexandria and Fairfax, to be spread upon their minutes, as a testimonial of his character and attainments and our high regard and esteem for him.

By the death of George A. Mushbach, the Bar of Alexandria has lost one of its greatest and most prominent members. The deceased came to this city by reaching his majority, and soon thereafter was licensed as an attorney at law.

By natural talent, energy, and industry, he soon attained not only a local, but a State recognition in his chosen profession. In a short time he entered the field of politics, and he was soon advanced from municipal positions to the halls of legislation; and in those fields he was conceded to be one of the leading orators and statesmen of the Commonwealth; and no public man in Virginia made a greater impression on the stump and also in our legislative body than he did.

His efficiency as a military commander was such as to make the company he commanded one of the best in the Commonwealth; and by reason of his proficiency in the military science it had not only a State but a National reputation.

Possessed of an unusually logical mind, indefatigable industry, and superb physique, these would necessarily have made him successful in any avocation in life; but it was the thorough preparation of his work which peculiarly distinguished him in the profession of law.

George A. Mushbach, from the time he entered upon his career, had warm friends and earnest supporters, and he retained his hold upon them to the last. His death about the middle of life, when in the full strength of his powers, will be much deplored by them, and is a great loss to our city and State.

Resolved, That this Bar has lost in him one of its leaders, and each member of it has lost in him a friend, that we deeply and truly sympathize with his loved ones in their affliction, and we mourn with them his departure from our midst.

He left, That this notice and resolutions be presented to the courts of this city, with the request that they be subscribed upon, and made a part of, their records.

Resolved, That a copy of the same be sent to his widow, and published in the city newspapers.

Messrs. John M. Johnson, K. Kemper and James R. Cato were appointed to present the notice and resolutions to the court.

PERSONALS.—Mr. Thomas Kelly, Jr., has returned from a ten-days' hunting trip in King George county.

Mr. W. B. Wadley, Jr., formerly of this city, and Miss Letitia Cole were married in Washington last Wednesday. The newly-married couple went North on a bridal tour.

Miss Minnie Zimmerman, daughter of Mr. and Mrs. Charles Zimmerman, has returned from a pleasant visit to relatives and friends in Baltimore.

The condition of Capt. W. H. Smith, who has recently been indisposed, has improved.

Mr. Donald McLean, Storekeeper and Gauger at the Mahoneyville Distillery, near this city, will leave here Thursday evening for Kerestown, Frederick county, where he will act in the same capacity in the distillery at that place.

M. Quaintance Tiddler will take Mr. McLean's place at the Mahoneyville Distillery.

Mr. Charles Zimmerman and Mr. John Henderson left here this morning for Baltimore where they will spend a few days with relatives.

The choir of St. Paul's Church was charmingly and handsomely entertained by Mrs. Martha Carlin at her residence Saturday evening last.

Mr. Harry B. Cato has returned from a visit to friends in New York City.

Mr. C. C. Carlin has returned from a business trip to Philadelphia and New York.

THE RIVER.—There is no change in the condition of affairs on the river. The docks are still clogged with ice, and the flats and creeks are more or less covered. The channel full of floating fragments set in motion by the steamers which arrive and depart as usual. The steamer Washington of the Norfolk line arrived up this morning shortly before six o'clock. She reported encountering the ice at Piney Point, but she had no difficulty in forcing her way through it. The steamer Harry Randall reports the ice as being thick in Curriam and in the other creeks on the lower river. She passed no oyster boats in the river, but reports a number in the creeks awaiting opportunities to be towed up. A number of river craft, including several scows, which have been frozen in are said to be in precarious conditions at several points on the river. The yacht Lotus, which has been aground at Lower Cedar Point for some time, it is thought will be wrecked.

The regular monthly meeting of Mary Curtis Lee Chapter, U. C. W., will be held tomorrow (Tuesday) morning in Lee Camp Hall at ten o'clock. A prompt and full attendance is requested.

BOY WANTED.—"I am looking for a boy" were the words of a popular 3rd ward Squire, and without waiting for an answer he said, "I want a small boy; I want the little fellow who made a morning call at my residence about day break on New Year's day in order to present his visiting card. He evidently is an early bird. I heard my bell ring, and raised the window and asked, 'Who's there?' No reply came. Magisterial importance rushed to my mind. Can it be that some grave offense has been committed, or possibly it may be a runaway match that needs my services and a small fee is to be my reward for early rising. So down I went in my night robe, cautiously opened the door and said, 'Well, what is it?' 'Carried, please sir.' Impulsively the words 'You go to the devil, will you?' passed my lips and the boy calmly replied 'I'm already here, if you please' and slowly backed off while I realized the necessity of a galling gun when dealing with a newspaper boy. I still have the carriage deserved reward for leaving papers at my door, also a very bad cold."

BARKESTINE LOST.—A dispatch from Palm Beach, Fla., says that during a high northeasterly gale Saturday night the barkentine Doris, of C. Morton Stewart's coffee fleet, was driven ashore off Boynton, a small town situated at the south end of Lake Worth, about 10 miles south of Palm Beach. Capt. E. B. Masterson, Mate Charles Young and the crew of 12 men were all saved and are now at Boynton. The vessel lies in shore with a heavy sea breaking over her. She is fast going to pieces, and is already a total wreck. The Doris was bound from Port Tampa to this port with a cargo of 1,299 tons of phosphate rock for the Alexandria Fertilizer and Chemical Company. She is fully insured. The wrecked vessel was built at Belfast, Me., in 1894. She is a four-masted barkentine of about 897 tons, net. Her length of keel is 189 feet; length over all, 205 feet; beam, 36 feet and depth of hold, 17 feet.

ELECTION OF OFFICERS.—At the annual meeting of O'Kane Council, No. 434, Catholic Benevolent Legion, held yesterday afternoon in St. Mary's Hall, the following officers were elected to serve for the ensuing year: James Roche, President; M. Creagan, Chancellor; Thomas Downey, Vice President; Thomas Burroughs, Recording Secretary; Rev. Father H. J. Cutler, Chaplain; J. J. McFarland, Collector; James P. Quinn, Orator; William Desmond, Marshal; R. W. Wenzel, Treasurer; J. H. McKenna, Inside Guard; J. Harry Rice, Outside Guard; Trustees, Edward Quinn, Sylvester Green, and William H. Sweeney. The newly elected officers will be installed next month.

ACCOSTED BY A STRANGE MAN.—A young lady living on north Columbus street went on her way home Saturday night from her place of employment was accosted by a strange man who took her by the arm and insisted upon accompanying her home. The young woman, after considerable difficulty, succeeded in breaking away from the man and in an excited condition ran to the house of a relative living nearby. She remained there all night, fearing to venture out until yesterday morning. The only description that could be obtained of the man was that he wore a razor.

THE COLD WAVE was in evidence Saturday night, although the northwest wind had diminished in force, and yesterday's frigid conditions existed. The temperature rose somewhat as the day advanced and the wind blew mostly from the South. Numbers of the young generation availed themselves of the opportunity of testing their skates, and throughout the day the creek, coves and ponds were well patronized. The weather today has been comparatively mild.

AN INTERESTING SERMON.—There was a large gathering yesterday afternoon in the Baptist Church where an eloquent sermon was delivered by Rev. Carroll S. Mason, an evangelist, of California. The sermon was very interesting throughout. The meeting was held under the auspices of the Men's Aid Society of that church. Rev. Mr. Mason will leave next week for Florida, where he will continue his evangelistic work.

UPPOSED ACCIDENTAL DROWNING. The investigation Saturday evening of the cause of the death of Susan Mason, colored, whose body was found in the dock near the foot of Fayette alley yesterday morning, resulted in the coroner's jury returning a verdict to the effect that the deceased came to her death by supposed accidental drowning. The remains were interred yesterday.

THE CHURCHES yesterday were very well attended, and in most of them communion services were held. The resident pastors occupied the pulpits. At Trinity Methodist Episcopal Church Rev. J. A. Jeffers, pastor, began a series of six sermons. At St. Paul's Episcopal Church the Christmas music was repeated in the morning.

UNION PRAYER MEETING.—The union prayer meeting will be held tonight in the Methodist Protestant Church. The services will be conducted by Rev. E. V. Register. These meetings are generally well attended and much enjoyed, and interest in them increases yearly.

MR. MAYR'S IMPROVING.—City Engineer E. A. Mayr's condition has shown general improvement, and the outlook is now more hopeful, although last night it was given out at the hospital at Newport News that he was restless. This is from natural causes and was expected, not indicating any unfavorable development. The change from the bad, which occurred Friday night, to the better, which occurred Saturday night, was the first actual ground for hope to the medical men at the patient's bedside, for, in a way, Mr. Mayr has passed the crisis. Mr. Mayr has an uncle who was shot during the war just as he was about the fall, penetrating the liver through its longest diameter, striking the kidneys and lodging in the muscles of the back. He recovered and today is one of the best-known lawyers in Virginia. He is St. George R. Fitzhugh, of Fredericksburg.

## LOCAL BRIEVITIES.

The annual meeting of the Young Men's Sociality Lyceum will be held tomorrow night in their hall on Duke street, when officers will be elected for the ensuing year.

The funeral of Mrs. Bacon, wife of H. A. Bacon, whose death occurred at Annandale, Fairfax county, Friday night, took place at 11 o'clock yesterday morning, and was largely attended. The interment was in the cemetery at that place.

The large buoy which marks the junction of the Washington and George channels of the river off Buena Vista wharf was broken in half by a passing vessel several weeks ago, but as yet no steps have been taken to replace it with a new spar. The buoy marking the wreck of the burned steamer City of Alexandria off this city, is still out of position. It is understood the United States Lighthouse authorities will not replace these buoys until next spring, when new spars will be substituted for the buoys in the river that have been badly cut up by the ice.

Unsuccessful attempts were made Saturday night to break into the stores of Messrs. James McLean, corner of Alf and Gibson streets, and Thomas Burroughs, corner Patrick and Franklin streets.

There were no cases on the docket in the Police Court this morning. The tranquility of last week continues unbroken. Ten lodgers were at the station house last night. A meeting of the stockholders of the Virginia Title Company was to have been held today. No quorum appeared, and the present adjourned subject to call.

The basketball game at Armory Hall Saturday between the Y. M. C. A. and the Bagdas resulted in a victory for the former by a score of 45 to 14.

One of the large barges belonging to the Alexandria Fertilizer and Chemical Company is on the ways at the ship yard for repairs.

The County Court, Judge Love, today adjourned for the term. No decrees were rendered in the new road case.

A meeting of the Woman's Auxiliary will be held in Lee Camp Hall tomorrow afternoon at 3 o'clock.

In the Corporation Court today Boris Heyman was granted a divorce from Samuel Hayman.

A CARD.—The undersigned wish to tender their thanks to the fire department and citizens for their prompt and valuable assistance at the fire at the place of business on last Saturday.

MA AND MRS. WM. WOLF. Stops the Cough and Works Off the Cold. Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. Price 25 cents.
